DR. MICHAEL GRANT
APR. 7, 19

THE TIME CAPSULE

By Steve Sherman

Dear Jack, Mike and Steve,

The KAMANDI comic book is finally settling down storywise. The scripts are not as outlandish as in past issues, but they still provide for great stories and entertainment. KAMANDI #12 had its very serious moments along with the lighter ones, which combined to make for a fast moving tale. The Devil really provided the issue with some comical events as shown on pages five and six.

The fact that Mr. Sacker is a snake really made things more interesting for Kamandi. With the appearence of Flower's sister it seems that the issue had everything. If Spirit doesn't get knocked off, Kamandi will have another friend in life. With the big race being in the next issue my anticipation for it has increased immensely. Thanks for a very good issue.

Stephen Barrington, Mobile, Ala.

Thanks for the comments, Stephen. Perhaps Spirit's luck is a little better than Flower's and she'll manage to stay around longer.

• • • • •

Dear Jack and Steve,

For the first time in over a year, I actually enjoyed one of your magazines—KAMANDI #12. It wasn't anything like the classics you used to produce, but it did hold my interest all the way through.

What was so great about "The Devil and Mr. Sacker?" For once you concentrated on advancing the plot, as you used to do. There was little "action for action's sake"—a glaring exception being that wasteful two-page sequence where Kliklak (even your names are improving!) got out of control. But this was more than made up for by the lack of a double-page spread on pages two and three—or anywhere else, for that matter! They're fine for special occasions, but working one into every issue only consumes 10% of your ridiculously-truncated space.

But the real prize of the issue is that you're finally exploring the basic premise of KAMANDI carefully—not just using it as an excuse for a full-length slugfest between Kamandi and "The latest mind-staggering spawn of the Great Disaster." Here at Sacker's Department Store (somewhere in England, I'd guess) we get our best glimpse yet of the true status of humans in this future world—they may have reverted to savagery, but they still seem to possess some native intelligence! In the face of which, the leopards' treatment of them as "animals" seems to suggest the outline of a great struggle in ages past—or am I reading too much into it?

Nevertheless, I note that these "British" leopards' treatment of their human captives is better than that of their American counterparts. At least here, they're kept in a sort of dormitory, not a corral! Let's see more of Spirit and Bull Bantam—and keep Kamandi as he is for now: a hero in his own right, not the foil to a super-hero type like Ben Boxer.

A few miscellaneous queries: Have the animals adopted the English language somehow, or has Kamandi learned their own languages? How do Kamandi and the other men manage to shave?

Even the art this time was an improvement—Mike Royer is finally getting some vestige of detail into his inks. I'd still prefer Giordano or Anderson, but you can't have everything . . .

I'd like to see Kamandi remain at Sacker's for several more issues at least, as it has the best supporting characters you've come up with yet. Perhaps he could stop being quite so hot-headed and eager to escape, and start to fulfill his pledge to improve the lot of his fellow humans here.

Richard Morrissey, Framingham, Ma.

As usual, Richard, a perceptive review of issue #12—except for the fact that I can't understand how you managed to take the leopards as British! Kamandi is still in the U.S., as the map in issue #11 indicates. The hovercraft went down just off the coast of Florida—where Hialeah racetrack is located. Maybe leopards are just more "civilized" than gorillas and tigers. For the sake of convenience, the animals speak English and I have absolutely no idea of how or when Kamandi and crew shaves.

• • • • •

Dear Jack,

Starting with a cover which reminded me greatly of the one on NEW GODS #5, the latest issue of KAMANDI nearly blew my little mind! It was hilarious! The dialogue was beautiful. Stuff like Kam trying to talk and reason with the rampaging Kliklak (that name!) and (this was the best thing in the whole book) on pages nine and eleven, Mr. Sacker saying, "By Jingo!" Oh, wow, that cracked me up. I just sat there imagining a snake saying "By Jingo!"

And everyone in the book calling everyone else "animal". One exception though: on page eighteen where Kam says to Spirit, "Sorry, chick." Sorry, chick? Sorry, chick?? Man, what a comic book.

Keith Griffin, Mobile, Ala.

Although we have many readers who take Kamandi's adventures very seriously, Keith, we're glad to see that the vein of humor that runs throughout the book is appreciated.

• • • • •

Dear Jack,

Well, with issue #11, KAMANDI has now been on the stands for exactly one year. In that year, I would say that you have developed one of the most fascinating comic books in the history of the medium. Every issue has been exceptionally well done, certainly equal to that of your Fourth World series.

I am glad to see that you are moving Kamandi around often, into different regions of Earth A.D. Another good thing about your stories: you are forever introducing *new* characters and regions.

Tim Oswald, Tacoma, Wash.

Thanks, Tim. And speaking of new characters, be on the look-out for two new Kirby comics coming your way soon.

with Fast Selling American Seeds

Take your choice of 100 wonderful prizes. You can earn as many as you want. Most prizes shown here and many more in our Big Prize Book are given WITHOUT COST for selling just one 50-pack order of American Vegetable and Flower Seeds at 30¢ a pack. Some of the larger prizes require more sales or extra money as explained in the Big Prize Book.

Send NO MONEY, We Trust You

Everybody wants American Seeds. They're fresh and ready to grow. You'll sell them quickly to family, friends and neighbors. Many boys and girls sell their packs in one day. You can, too — and get your prize at once. Or, if you want money instead of a prize, keep $5.00 for every 50-pack order you sell.
